New Offices in Banus

WE CONTINUE MOTIVATING THE SECTOR

Last May in our modest contribution on tourism sector, despite the unchanging decline circumstances that still suffers the car rental industry, we took a small forward step in our diversify efforts by opening an office in the building "Cristal Shopping Center" Puerto Banús, Marbella. From where we intend to expand our service options to the Car hire tourism sector.

With a fairly exclusive fleet of vehicles, we'll try to cover the needs of resident and tourist customers who live in the area, some rental for image reasons others for mobility needs, both reasons require exposure and maintenance for a high range of our best fleet vehicles, at **CARGEST** new office, our professionals personel, with years in the tourism industry experience, will atend the needs and demands of such as unique exclusive customers.

WELCOME TO PUERTO BANUS

Blue Flags

The beaches with the Blue Flag award on the Costa del Sol, have increased. This year 2012, we have more flags than last summer. Marbella has Increased four new awards on its beaches.

Undoubtedly the great job done by city councils have produced this graceful reaction on beaches of the area. The access for people with disabilities, increasing general services needed and cleaning such as both, communal areas as dirt brought in by tides, are requirements that the Foundation (FEE) values for the granting of this esteemed award.

Estepona

Estepona is in luck, The Consistory of the city thanks to its excellent work promoting sport in its municipality. This hard work has been rewarded. On November 7th in Brussels, Mayor of the city will collect such high distinction as: "European 2013 City of Sport" Award given by the evaluation committee Aces Europe. It is an Invaluable reward that involves the international levels promotion of the city and the possibility of hosting sporting conventions.
